And did we say creativity counts? That's right. We'll be judging contestants for the cleverest toga costumes, so use your imagination and take home bragging rights. A full raffle is included! ### Would You Like Some Cheese with that Whine? August 12

No whining! The DYC is bringing some top wines from well-known vineyards and a sommelier to pour and inform you of your wine choices at this popular event. Come prepared to enjoy some familiar wines and try some new ones. Bring a favorite hors d'oeuvres to share with others. The wine tasting is \$20/person for DYC members and guests. **Saturday, Aug. 12, Dock 22.**

### Float with Your Friends at the DYC Raft Up Aug. 26

Get your water wings out and get ready to party at the annual **DYC Raft Up Aug. 26 at 2 p.m. by Goat Island.** This is a BYO-everything but lots of folks bring plenty to spare for friends who drop in and swim up. Look for the flotilla at Goat Island and raft up with the gang.

## A Message from the Commodore: Movie Night Was a Great Success!

About 20 boats rafted up and probably another 15 or 20 boats were scattered around to view the movie screen. I estimate well over a hundred people came to our first Movie Night on the Lake! Although during setup that day, we ran into a whole slew of problems, we managed to overcome them all and as they say, "The Show Must Go On".

*Pre-movie party time!*

*The giant screen was a challenge to put up, but the team prevailed!*

Special thanks to a few people for service above and beyond the call of duty: Vice Commodore of Sail Eric Kihl, Vice Commodore of Power Tony Siciliano and his son, John Rice, Ryan Lee, Bryan O'Hare, Cody and Kimbre Davis and Bill Spicer. They all helped in a multitude of different ways to make this event come together... even when it seemed like there was one thing after another going wrong. In fact, several times during the day I was into Plan "B", Plan "C", or even Plan "D". Truth be known, I think we solved most calamities through quick thinking and the hard work of this great team without so

much as a clue how to proceed next.

The movie was fun ("Overboard" with Kurt Russel and Goldie Hawn) and the weather was wonderful. Go to the Dallas Yacht Club Facebook page or our website, [www.DallasYachtClub.org](http://www.DallasYachtClub.org), and check out the pictures that we have posted. Nothing can beat a new moon rising as a backdrop for our movie night on the water—absolutely beautiful!

*Rafting up with friends for a great night on the water!*

I hope to make this an annual event and judging by the good response and the large number of people that were out, we will do our best to make it at recurring event.

May you have favorable winds and following seas.... till we meet again.
